Think of a time (at school, university or work) when you had to do some training or an activity and you had to follow rules.

Make notes about the following questions. You can add more information if you want to.

What was the situation?

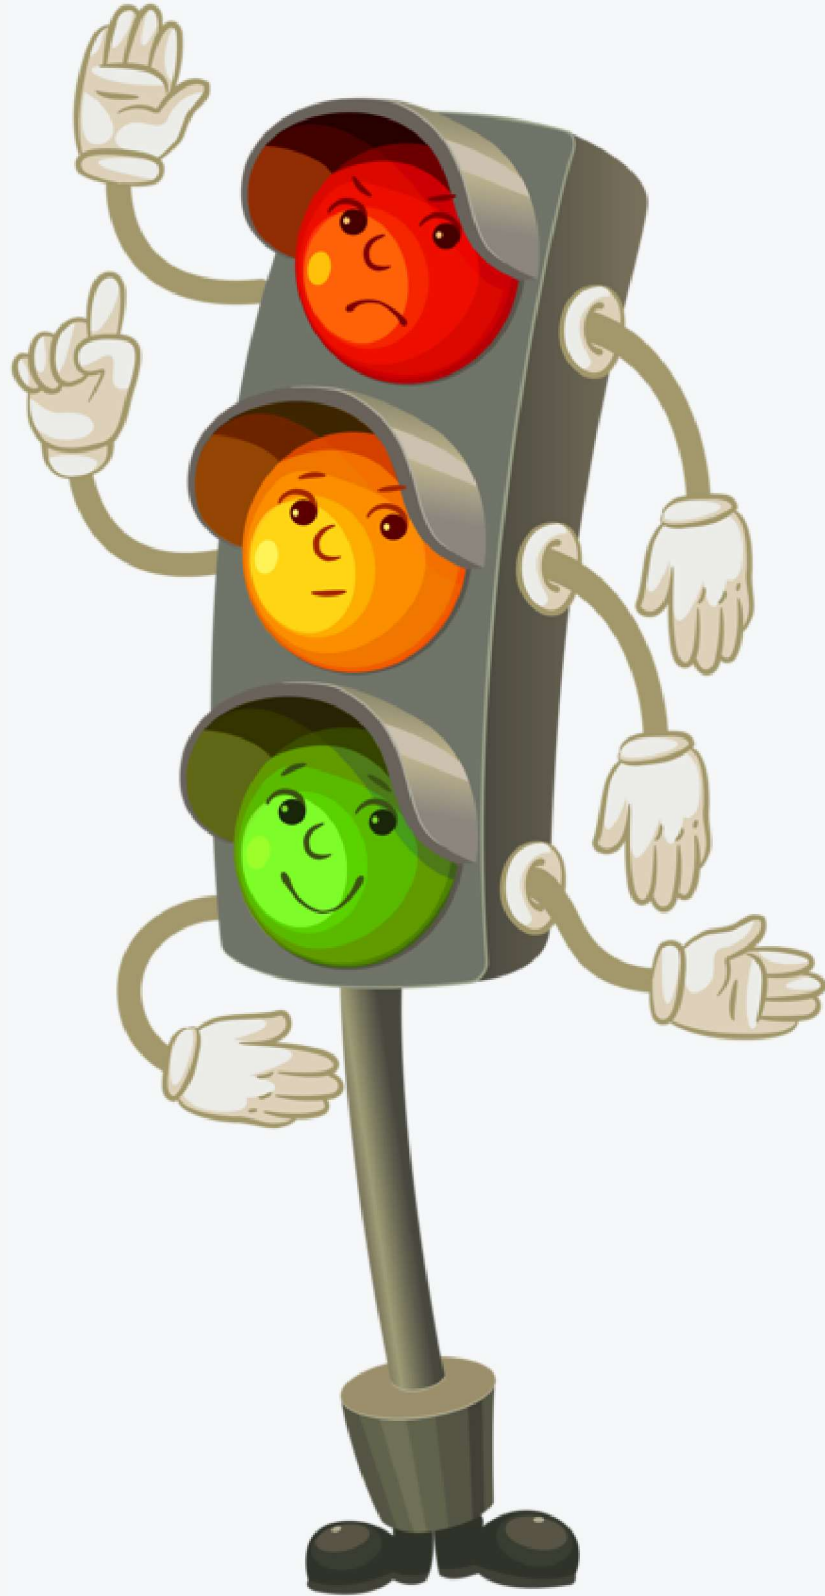

Who made the rules?

Were some of the rules very strict? why?

Were there some rules you didn't follow? why?

How did you feel about the experience?

Present your ideas in class or use a Flipgrid video to share your experiences.
